Show all downloads...

Detailed description: This screenshot shows the Atlas of Living Australia spatial portal interface. The main map displays the Mt Barney National Park area, highlighted in a semi-transparent red. The left sidebar contains a control panel for the 'Mt Barney' layer, including a 'Rename' field, a 'Facet' dropdown set to 'User defined colour', a color palette, and three sliders for Red (set to 255), Green (set to 0), and Blue (set to 0). Below the sliders are 'Quick links' for area reports, metadata, species lists, and record downloads. A file named 'Species\_list\_2013070....csv' is listed at the bottom. The map includes labels for 'Main Range National Park', 'Moogerah Peaks National Park', 'Koreelah National Park', 'Mount Barney National Park', and 'Border Ranges National Park'. A scale bar shows 10 km and 5 mi, and coordinates are displayed as Lon: 152.41995 and Lat: -28.51661.
